Gluten Sensitive Suggestions

Please communicate with your server if you have a gluten sensitivity. They can confirm the presence of gluten for menu items not listed here.

Additionally, we do serve gluten free items but we are not a gluten free kitchen.

Items will share air space & cooking equipment with items that contain gluten

****Corn tortilla chips, seasoned fries, diced potatoes, & fried fish are all gluten-free.**

However, they are fried in oil that fries items that contain gluten. Some of the suggestions below have these items included, as these suggestions are intended for gluten sensitive individuals. If you have a gluten allergy, we recommend you avoid these items.
